# MAKING A DIFFERENCE

## Donate

Your gift will make a difference and bring help and hope to women in recovery.

## Volunteer

Volunteers play an important role at POWER with office support, hands-on projects, fundraising, or by sharing a special skill with our clients.

# FINDING HOPE

“POWER loved me when I didn't love myself.”

Licensed by  
Pennsylvania Department of Health  
*Department of Drug and Alcohol Programs*

POWER shall ensure the availability of preferential treatment to pregnant women. Priority is given to women as follows: (a) pregnant injection-drug users; (b) pregnant substance users; (c) injection-drug users; (d) overdose survivors; (e) veterans; and (f) all others.

Where recovery begins

“When I found POWER,  
my life changed forever.”

# CHANGING LIVES

Two out of  
three families  
are affected by  
addiction in the  
United States.

Addiction can touch anyone,  
ruining lives and devastating  
families. But there is hope.

### Treatment works.

Since 1991, POWER has been  
leading the way to help women  
take the first step in recovery  
by providing trauma-sensitive  
treatment and care designed  
especially for women.

## Help is just a phone call away

**POWER Line: 412.243.8755**

Our caring staff help all callers access the  
care they need, when they need it the most.

## Impact

**Nearly 1,500 women find help and hope  
at POWER each year.**

POWER graduates make healthy choices for  
themselves and their families, return to school,  
find meaningful employment, and give back to  
their communities.

## Our services

### POWER's quality care includes:

- Early intervention through evaluation and referral to treatment.
- Drug and alcohol counseling including group and individual therapy and wellness activities.
- Residential treatment in a safe and healing environment.
- Mentoring that connects clients to valuable community resources.
